penses of the conference may be due from the United States."

When interrogated as to the stand that would be taken on such a bill by the Populist senators and their Democratic and Republican colleagues who favor independent free collinge by the United States. Senator Wolcott expressed the belief based upon expressions which had come to his knowledge, that none of them would make serious opposition to it, and that many of them would vote for it.

"They have not confidence in international bimetallism," said he, "At the same time, they would be willing to take bimetallism if it came that way and I think they will be willing to tet us make the attempt, especially if they believe that results will come from it."

Senator Wolcott will go first to London and will be governed by the knowledge secured there as to his movements on the continent. ceives nere today that it party of Greens and DeKalb county men would arrive during the night and attack the county lath. They want to got Edward Planagan and lynch him for the marders which he committed last night hear fecatur.

The county changed sheriffs today, and Sheriff Nolms placed extra men on duty. He also notified the police and milliary that he will call upon them if necessary. Nelms is a well known fighter, and an attempt to lynch his prisoner would be distairous to the med. If a mob should come to the city from the country, it would be hard for them to find a leader desperate enough to make an attack on the prison. The Greene county people are incepted because one of Planagan's victims. Miss Ruth Slack, fived there and was in Lessitur on a visit. The selations have lived in DeKalb county for years, and their neighbors are ouraged. Grandfather Allen, who was knocked in the head and was supposed to be dead, gained consciousness this morning and will probably recover. Miss Slack is not dead, but she is para-
